## Alumni Association established

We are delighted to announce the formal establishment of The British School Alumni Association!

The association has been formed with the purpose of providing services and programmes that will enrich the lives of our alumni and encourage their lifelong engagement with the school and our community. A working committee, comprising alumni, members of the Board, school representatives and lawyers, helped identify the optimum structure for the association, its registration, tax implications and other legalities.

The association will run independently as a Trust. The following members shall serve as the Initial Trustees for a period of one year, following which each successive Board constituted following elections shall serve for a term of 3 years.

1. Aditya Khanna, class of 2000
2. Harsh Bajaj, class of 1994
3. Kruti Bharucha, class of 1995
4. Siddharth Mathur, class of 1994
5. Tania Bery, class of 1990

Next, we will be setting up an Advisory Committee that will work hand in hand with the Trustees in decision making, undertaking activities and events, and creating engagement programmes and volunteer opportunities.

We are excited to have started this new chapter and hope to build deeper and more meaningful engagement with alumni and strengthen our ties with them.
